12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Marathon Oil Co. is in the process of selling this property. The prior operator of this well found a casing leak from 2850'-4950'. Marathon Oil Co. will either repair the casing leak and recompleat or P&A the well if there is no pending lease sale. Plugging the well at this time could result in loss of value to the prospective buyer. Marathon requests to not take action on this well, but to let the purchaser assume responsibility. Full disclosure of this leak will be made to the prospective buyers.

Approval Conditions: On Fluid level. being below 4950'

Please determine Fluid level in wellbore.

Report to O.C.D.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
