The Oil Conservation Division of the State of New Mexico is requesting that a Mechanical Integrity Test (MIT) be run on well; 30-015-30650; Avalon 31 State # 001. We are asking that this test be done in order to show well bore integrity of this well. We are giving Mewbourne 30 days. MIT must be done by 09/15/2015. Please notify the Artesia OCD when this can be done and an OCD person will witness the test. If there are any questions about this request, please contact:
