March 21, 2006

Reference: Avalon Delaware Unit (Central Tank Battery) C-31-20s-28e Eddy County New Mexico
NMOCD Tracking: Avalon Delaware Unit 511 API: 30-015-24524

Operator,

Please find attached a copy of your approved Form C-141 marked Final Report, reporting a release of produced fluids that occurred at the above referenced location on 12/8/2005.

Conditions of approval are as follows:

- Submit a description of action taken to remediate contamination that may have been present as a result of the release.
- Submit analysis of any samples that may have been obtained.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Bratcher".

Mike Bratcher
