TYPE OF VIOLATION - Inactive Well(s)

De

A well that has been shut-in for an extended period of time, and which is no longer usable (e.g., a dry hole), must be taken out of production in accordance with regulations, corrective actions

The details of the violation are as follows:

The following operations:

1. Immediately
2. Request Temporary Permit to plug and abandon well to maintain mechanical integrity.
3. Submit a proposal to plug and abandon well on a timely basis after the permit is issued.

In the event that a satisfactory response is not shown above, further enforcement actions, including an order summoning you to a hearing, may be necessary to permanently plug and abandon well in violation of OCD rules.
