Good afternoon Mr. Cordero.

You had sent a Letter of Violation dated July 26, 2016 for BOPCO's Big Eddy Unit wells #248H (30-015-40714) & #249H (30-015-40715) for no well signs on location. The issue has been corrected; proper signage has been placed at each well. This has been done for a while but I neglected to inform you.

If you have any questions or need any additional information, please do not hesitate to contact me.

Thank you...Tracie Cherry
