13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Fasken Oil and Ranch, Ltd. requests approval to continue to shut this well in. It has been continually inactive since March of 2016. We have this well shut in, due to commodity pricing. It is not economically feasible to produce oil at this time. Once prices rebound, we plan to return the well back to production.

Approved to shut in well for 12 months.  
Submit 5th day production startup via  
sundry notice.

14. I hereby certify that the foregoing is true and correct.
