To: Sabrina Bonner <Sbonner@wagneroil.com>

Sabrina,

The reports for this well show production. Should the ultimate intent of ES #369059 be to down hole commingle existing Cherry Canyon perms with the proposed Bell Canyon production your NOI for the well needs to make that statement.

Otherwise the existing production needs to be shown to be non commercial prior to abandonment.

Submit via sundry for BLM approval a Lease Operating Statement (L.O.S.) for the last 12 consecutive months showing all production, revenue, taxes, and royalties paid, include all types of operating and maintenance expense. This should initially at be a gross level, then boiled down with net numbers showing monthly (PROFIT/LOSS).
