13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

EOG Resources respectfully requests a change in TVD @ EOC to approx. 2355' and @ EOL to approx. 2460'. We would like to change our production hole size from 8 1/2" to 8 3/4". Cement volumes will be adjusted accordingly. We would also like to omit our pilot hole from the drilling plan.

Thank you.
