BOPCO, L.P. respectfully requests to build a water pond for drilling, completion, and workover operations. This disturbance is intended for a recycling pond and facility to recycle produced water for use in oil and gas operations associated with development. Recycling Facility/Containment permit has been submitted to NMOCD and will be provided to BLM upon approval by the state.

This location had an onsite performed 3-21-2017 with Fernando Banos in attendance. Onsite Notes: PLU South Pond ? The original location was moved 660' North to avoid an active raptors nest. The agreed upon disturbance is 1340' x 1200' NW of the PLU 421H. The designated access road will tie into the SE corner of the disturbance from the SW corner of the PLU 421H well site.

Plats are attached.
