If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recomple in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

BOPCO, L.P. respectfully requests to build a water pond for drilling, completion, and workover operations. This disturbance is intended for a recycling pond and facility to recycle produced water for use in oil and gas operations associated with development. Recycling Facility/Containment permit has been submitted to NMOC and will be provided to BLM upon approval by the state.

This location had an onsite performed 5-5-2017 with Fernando Banos (BLM NRS) and Todd Carpenter (BOPCO). The agreed upon disturbance is 800'x1500'.

Plats are attached.
