13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Chevron U.S.A. Inc. requests the use of a reclaimed frac pond located in the NE4 NE4 Sec 8, T24S-R29E, Eddy County, NM for the use of a parking/staging area during the movement of the rig as well as completions crews for the CB SE 5 32 FED COM 001 well pad.

The location will be used for parking and staging of Chevron and Chevron contractors use only having signage to display such use. The term for use is March 1, 2018 through September 30, 2018. The location will be reclaimed at or near condition prior to activity.

See plats attached.
