APPLICATION FOR SURFACE COMMINGLING OFF LEASE STORAGE AND MEASUREMENT APPROVAL

Bureau of Land Management 1220 S. St Francis Drive Santa Fe, New Mexico, 87505

Devon Energy Production Company, LP requests approval for surface commingling and off lease storage and measurement of hydrocarbon production from the following wells on Federal <u>Lease No. NM-0533177A</u>

Lease Name:	<u>Todd 14 F</u>	<u>'ederal</u>		a.	
Well No.	UL	Sec	TWP	Rng	Formation
2	A	14	23S	31E	Ingle Wells, Delaware
3	В	14	23S	31E	Ingle Wells, Delaware

with hydrocarbon production from the following wells on State Lease No. NM-0404441

Lease Name:	Todd 14 Federal					
Well No.	UL	Sec	TWP	Rng	Formation Programme Technology	
1	K	14	23S	31E	Ingle Wells, Delaware	

Exhibit I is a schematic, which shows the equipment that will be utilized to determine well production from each lease. A map (Exhibit II) is enclosed that shows the lease numbers and location of all leases and wells that will contribute production to the proposed commingled facility.

Process and Flow Description: The common gas sales meter will be located at the Todd 14 K Federal #1 location Unit 'K', Sec 14-23S-31E Federal lease #NM-0404441. A gas test meter will be used to allocate production and will be located at Unit 'K' Sec 14-23S-31E Federal Lease # NM-0404441. These meters will be calibrated on a regular basis per API, NMOCD and BLM specifications. The attached facility diagrams show the proposed metering arrangement. The BLM will be notified if there is any future change in the facility location.

The overriding royalty owners, working interest owners and NMOCD have been notified of this proposal. The overriding royalty owners and working interest owners have been notified by certified mail. See attached receipt list.

The proposed commingling of production is to reduce operating expense between the three referenced wells. This will result in increasing the economic life of the wells.

We understand that the requested approval will not constitute the granting of any right-of-way or construction rights not granted by the lease instrument. We intend to follow the existing ROW for the Barclay gas line.

Signed:
