Need C-103 - Location is ready for OCD Inspection after P/A.

Final reclamation at Big Chief Com #5 is complete. Activities from 2/8/2020 through 2/26/2020 included the following:

- Removed equipment and debris from location
- Confirmed well pad and lease road soils clean and left intact per landowner request
- Removed surface soils and exposed plastic from reserve pit area and re-capped with new liner and clean imported topsoil
- Contoured the pit area to the surrounding landscape
- The pit area will be reseeded and an additional African Rue treatment will be applied per landowner request as soon as conditions are conducive
