MESSAGE: Re: Your letter of June 19, 2006 regarding our Poker Lake Nos. 65
and 66, Eddy County, New Mexico

Dear Mr. Inge:

I have been gone out on a well in Texas for several days and have just now read your letter, copy of same attached hereto.

These, which I'm sure you are aware, are located on BLM lands and are old Federal Leases. We obtained permits from the BLM, Carlsbad Division, to keep these pits there in the event of an emergency that may arise due to our water transfer pump shutting down prematurely and unexpectedly, several years ago.

Yours truly,

J. Ray Stewart

I could never get your fax to receive this. Got your call back. Still doesn't work.
