Dear Mr. Sirgo or To Whom It May Concern,

In reference to the above noted well, I cannot approve this form that you sent to our office. This is a Bureau of Land Management (BLM) matter, which I have discovered that has approval from the BLM. I will though 20 days after completion of the well need the following:

The notarized well deviation report.
The complete set of electric logs to be ran.
The detailed well completion report (copy) on the Bureau of Land Management's form.
In meantime, please submit a current C-102 for the referenced well completely filled out where appropriate.
As for operator certification, you may say: "refer to original plat".
Please call if you have any questions.

Yours truly,

Bryan G. Arrant
District II Geologist, New Mexico Oil Conservation Division, Artesia
