Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

September 5, 2002 - June 30, 2003

RU company cable tool rig. RU sand lind cable spear and fish all old sandline out of well.

July 7, 2003

Go in hole with overshot to fish small bailer latch tool. Get on fishing neck of tool and jar with walking beam until tool came loose from bailer.

August 5, 2003

RU another bailer latch on tool. Latch on stuck 4" bailer with bailer latch tool. Jar with walking beam until bailer came loose. Pulled bailer and found it full of drilling mud. Think hole in casing is around 1000'. Fill open hole with sand to keep mud off the formation. WOO

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
