Dear Operator,

A Form C-103 on the above mentioned well was approved for Temporary Abandonment on 2.14.2007 for a period of 5 years expiring in February 2010.

This expiration date was in error.

Under current policy the well must be placed on line or a request for Plug and Abandonment must be submitted by **August 9, 2007**. This policy will be applied to all wells for which there has been no beneficial use for a period exceeding 5 years.

I apologize for the error and request you update your records accordingly.

Yours truly,

A handwritten signature in black ink, appearing to read "Gerry Guye".
