Re: Unorthodox Location
Administrative Approval Request
Dodd Federal Unit #520
1345' FSL & 500' FEL
Section 10 T-17S R-29E
Eddy County, New Mexico

Dear Mr. Arrant:

Marbob Energy Corporation respectfully requests administrative approval for an unorthodox location of the Dodd Federal Unit #520 well as referenced above. Attached is an OCD Form C-102 showing the proposed oil well spacing unit along with a map showing the adjoining spacing units. The well is unorthodox to the south boundary of the NE/4SE/4. The affected spacing unit and all the other offset proration are included in the Dodd Federal Unit which covers E/2 of Section 10. Marbob Energy is the operator of the affected spacing units.

This location will also increase our secondary/tertiary flood pattern options and give us more flexibility to modify or change flood patterns in the future to maximize oil recovery from this unit.

Thank you for your consideration of this. If you need to talk with me further please call me at 800-748-1550.

Sincerely,

Raye Miller
