13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Changes to submitted APD:

1. No pilot hole will be drilled.
2. No open hole logs will be run. A Gamma Ray Depth Control Log will be run from KOP to the Total Depth of the Horizontal Drainhole
3. BLM Bond Number: ES-0051
4. A well schematic is attached.
5. Final directional plans will be submitted after review of the open hole log from the Corral Fly Federal #1H well.

14. I hereby certify that the foregoing is true and correct
