On 05/02/07, received phone call from Artesia Fire Dept at 5:30 am of a fire on Mewbourne Oil Company State B #1 tank battery. MOC representative was on location by 6:20 am and found fire out and no fire dept representative present. Attempted to call OCD in Artesia all day but no answer (phone problems). Called OCD in Artesia on 05/03/07. Contacted Mike Bratcher with report. Lightning had struck 2 - 500 bbl fiberglass water tanks. Started cleanup of area and will contact OCD in Artesia after cleanup for their approval. If you have any problems, please (505) 393-5905.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
