Mr. Jones,

Mayo Marrs would like to thank you for your patience. Just like all service companies at this time, we are very busy, have a long waiting list, and the weather has not been very cooperative. As you are well aware, you have been on the waiting list for sometime. As long as everything stays on schedule we should be plugging for you within 60 to 90 days.

If you have any questions or comments, I can be reach at the office, or on my cell (432) 290-5901.

Sincerely,

Mark Hoskins
