Subject: OGX Resources, LLC,
Colt State #1
Sec, 5, T-25S, R-28E
Eddy, County, NM

30-015-35557

We do not anticipate encountering any H₂S during the drilling or completion of the well referenced above, as per offset drilling and the Morrow formation.

We are respectfully requesting an exemption from the H₂S requirements according to the NMOCD Rule 118. The anticipated total depth is 12,900' for this Salt Draw, Morrow West (Gas) well.

Thank you,

Angela Lightner
