Dear Amanda.

I need for your to re submit sundry notices on the above noted wells as they are incomplete.

Please indicate the wait on cement time of reach string of casing and the number of sacks circulated for each string of casing.

Also, I need for you to submit the casing pressure tests and the time in minutes that each string of casing was tested to.

Please note that the location of each well has been left blank.

Feel free to call if you have any questions,
