Dear Ms. Denniston,

30-015-20864

Please find enclosed (1) one original and (5) five copies of the survey plat and exhibits "B" and "C" for the Allied "B" Federal Com No. 1. We're sending it now because in the application to drill package we originally sent, the plat we included was not an original.

Please note that the spacing unit for the subject well is operated by Wadi Petroleum, Inc. We have an agreement with Wadi to drill this well for them, and upon completion as a White City; Penn (Gas) producer, we will turn operations over to Wadi. In addition, if the well is successfully completed as a White City; Penn producer, its name will be changed to Federal 22 Com No. 3.

If you should have any questions or need further information, please feel free to contact Zeno Farris at 972-443-6489.

Sincerely,

Natalie Krueger
Production Assistant
