Measurement. Surface Commingle Gas Only  13. Describe Proposed or Completed Operations (Clearly state all perment details, and give periment dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and rule vertical depths for all markets and zones pertinent to this work.)*  Yates Petroleum Corporation respectfully request administrative approval for the addition to Off Lease Measurement, Surface Commingle Gas Only. Previously approved on August 30th 2007.  State  State  Wyatt BHT State #1  See 5-T25S-R30E  See 5-T25S-R30E  Pierce Crossing/Bone Spring  Eddy County, NM  Diversified ownership. Owners were notified verbally. All in house subsidiaries.  The production from the Wyatt BHT State #1, and the Doe BHU State #1 is measured on lease and the sales point at a meter located on the Jester BFJ Federal #1  The proposed commingling of production is in the interest of conservation and will not result in reduced royalty or improper measurement of production Estimated daily gas production for the Wyatt BHT State #1 and for the Doe BHU State #1 is 400 mcf, per day for each well  The purpose of the Off Lease measurement & Surface Commingling, is to reduce operating costs for storage and treating, thereby extending the economic life of each well. Without approval for utilizing existing batteries on adjacent leases, it will become necessary to built separate facilities for each well. This will greatly increase costs and shorten the economic life of the well  The proposed commingling is necessary for economic operation of the above referenced leases.  We understand that the request approval will not constitute the granting of any right-of-way or construction rights not granted by the lease instrument. And, we will submit within 30 days an application for right-of-way approval to the BLM's Realty Section in your office it we have not already done so. Subject: RE: Off Lease Measurement Status

Both the Wyatt and Doc are state of New Mexico leases owned by YPC 70%; YDC 10%; Myco

10% and Abo 10%. Thanks, Janet
