Re: Unorthodox Location
Administrative Approval Request
Dodd Fed. Unit #548
2310' FSL & 1390' FEL
Section 15 T-17S R-29E
Eddy County, New Mexico

Dear Mr. Gumm:

Marbob Energy Corporation respectfully requests administrative approval for an unorthodox location of the Dodd Federal Unit #548 well as referenced above. Attached is an OCD Form C-102 showing the proposed oil well spacing unit along with a map showing the adjoining spacing units. This well is unorthodox to the East boundary of the NW/4SE/4. The affected spacing unit is included in the Dodd Fed. Unit which covers E/2, NW/4, E/2SW/4 of Section 15. Notice has been provided to the operator of that unit.

This location will also increase our secondary/tertiary flood pattern options and give us more flexibility to modify or change flood patterns in the future to maximize oil recovery from this unit. Thank you for your consideration of this. If you need to talk with me further please call me at 800-748-1550.

Sincerely,

William Miller
Land Department

The OCD approves the Dodd
#548 unorthodox location
