13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

BEP CO, L. P. respectfully requests the extension of the approved P & A procedure, for the subject well-bore, that was granted on March 1, 2008. BEP CO would like the additional time to re-evaluate the potential of the wellbore before abandonment. The current P & A procedure expires on June 1, 2008. BEP CO will have the wellbore returned to usefulness or P & A'd within 90 days if an extension is granted. Please find the attached approved P & A procedure.
