13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones, Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

1. We request an extension of 30 days to complete the plugging of the wells. We must prepare and file a permit with OCD in compliance with July 21, 2008 OCD form C-144 pertaining to Temporary Pit Rules.

2. Change for Original Permit Request: We propose using Class A [Type 1] cement.

3. The above stated request for an extension and changes/ modifications of cement were discussed and verbally authorized by Jim Amos pending receipt of Sundry Notice.
