Yates Petroleum Corporation wishes to extend the captioned well's APD expiration date for two (2) years to September 4, 2010.

Sources at Yates Petroleum Corporation have relayed information to me that they believe there will not be enough H2S found from the surface through the Granite Wash formation to meet the OCD's minimum requirements for the submission of a contingency plan per Rule 118.

Thank you.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
