13. Describe Proposed or Completed Operation Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true-vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection)

Pursuant to a field meeting with Barry Hunt, Rand French and Ross Duncan it was decided to strike the pad restriction language in the APD to be replaced with:

The pad will be constructed with the North stakes being rotated to the NE corner of the pad. The south side of the pad will parallel the existing access road. The East side of the pad will be shortened to provide for minimal cut and fill into the hill.
