13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Concho Exploration, Inc. (formerly Ricks Exploration, Inc.), hereby, request an extension for the drilling permit for this well. The permit is set up to expire on November 5, 2003. Please, extend for a period of one year.

NOTE: I have not been able to locate our copy of the drilling application and am filing this from my log in notes. Could you please, fill in the rest of the information and also send me a copy of the original permit. I would tremendously appreciate your help.

Thanks,
Brenda
