Request continuance of TA status for an additional year. Initial TA status was granted on 11/27/08. At that we stated that we were going to pursue a simultaneous dedication for this well with the Bond #2. Additional evaluation of the Strawn indicates that a Strawn completion in the Bond #1 is not necessary to drain the acreage. We instead plan to drill this well deeper to the Morrow when it is economic for us to do so.

Temporary Abandonment Status Approved  
Until 10-25-09
