Re: Downhole Completion Reports

Dear Mr. Ingram:

Attached are completion reports for the Eagle 34 P Federal 38, Eagle 35 E Federal 10, Eagle 35 Federal 3, and Eagle 35 L Federal 4 wells. We downhole commingled these wells quite some time ago and filed a sundry notice to notify the BLM. It's since come to my attention that we did not file a completion report which is now required by your office. Prior to your office handling this type of paperwork, we were instructed by the BLM Roswell office to only file a sundry notice Form 3160-5.

This should meet the filing requirements for a downhole completion. If you have any questions or concerns, please do not hesitate to contact me at (405) 552-8198. Thank you for your patience.

Sincerely,
