Scott,

Your request for an extension to close the drilling pit associated with the Haracz 8-H is approved to 11/20/09. The well site is in 23-24s-31e.

Subject: Haracz 8-H Reserve Closure

Mr. Bratcher,

I would like to request an extension for the Reserve Pit closure at the Haracz 8-H . Legal: API #30-015-36778 Sec.23-T24S- R32E- Eddy Co. This is the well you and I discussed. We were waiting on an alternative closure method , but have decided to close it with a regular dig and haul. I will take bids and start this closure next week. Our rig release date was 2-20-09 /8-20-09. With your permission I am ready to begin closure now.

Thank you
Scott Pitts
