**RE: Monthly AGI Readings
Artesia Gas Plant Gas Injection Well**

To Whom it May Concern:

Enclosed are monthly readings for the Acid Gas Injection well at Artesia Gas Plant for the month of September 2009. These are being submitted on a monthly basis due to the request by the OCD in lieu of the requirement to perform a yearly mechanical integrity test on the well. DCP Midstream LP (DCPM) understands that we will be required to perform a mechanical integrity test on the well once every five years.

DCPM performed the Mechanical Integrity Test (MIT) on September 9, 2008 and the results are filed at the facility.

If you have any questions about this information, feel free to contact me at (432) 620-4207 or via email at jdbebbington@dcpmidstream.com.

Respectfully,

DCP Midstream, LP

Jon D. Bebbington
