13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work and approximate duration thereof. If the proposal deepens directionally or recompletes horizontally, give subsurface location and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the

**Devon Energy Production Company L. P. respectfully requests a variance from the original APD which states to "circulate cement to the surface on the intermediate casing". Based on the conference call with the BLM it was advised since the TOC is @ 3900' to conduct a pressure test on the backside which was witnessed by the BLM. The test results are heretofore attached.**

**Pressure test did not pass, submit remedial plan for the production casing.**
