11.12.03: Load and test casing to 500#. Held 30 mins. Casing test witnessed by Clark Bennett, BLM CFO. Xerox copy of chart attached.

BP America Production Company has evaluated this wellbore and has determined that there is production potential in the Abo formation. Permission to retain TA Status is therefore requested in order to complete the current workover and PA program, and develop another workover program which will require interest owner approval to provide funding.
