INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of any newly-drilled or deepened well and not later than 60 days after completion of closure. When submitted as a completion report, this shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, items 11, 12 and 26-31 shall be reported for each zone.

Hi Donna,

I just heard from one of our foremen and he says this well is still SIWOPL. Let me know if you need anything else from me. Thanks for all your help in getting the paperwork that is old checked in so that it can be scanned. I know it's a lot of work and we sure do appreciate you. Have a great week!!
