I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Woody, here is the C-141 for the James E #15. Please stay in contact with Mr. Bratcher on catching samples prior to back filling. I have already requested a work order. Luis should have it before too long. Any questions or problems please contact me.

Thank you,

You cannot help the poor by destroying the rich.  
You cannot strengthen the weak by weakening the strong.  
You cannot bring about prosperity by discouraging thrift.  
You cannot lift the wage earner up by pulling the wage payer down.  
You cannot further the brotherhood of man by inciting class hatred.  
You cannot build character and courage by taking away people's initiative and independence.  
You cannot help people permanently by doing for them, what they could and should do for themselves.
