Attn: Matt Swierc

The following inspection was conducted on the date indicated and the violation was called to your office. In our phone conversation it was requested that you furnish this office with a C-141 since the release had not been reported to the OCD as required by Rule 116 of the NM OCD Rules and Regulations.

INSPECTION DETAIL SECTION

STATE 20 B No.007

Comments on Inspection: Stuffing box leaking (several hours). Oil accumulated on location.						

As of the date of this letter, a C-141 has not been received by this office. This form must be completed and forwarded to this office by **March 15, 2004** to preclude further enforcement action. Such enforcement may include this office applying to the Division for an order summoning you to a hearing before a Division Examiner in Santa Fe to show cause why you should not be ordered to permanently plug and abandon this well. Such a hearing may result in imposition of CIVIL PENALTIES for your violation of OCD rules.

Thank you,

Gerry Guye
