Dear Sir:

You will find enclosed reports that we seemed to have failed to file in the months of December, November and March. If we we have failed to file in any of the other months please advise us and we will send it to you.

We are at this time fishing for bit lost in the hole and as soon as it is recovered we will probably want to set some conductor pipe at that time and when we do we will file a report covering that.

Trusting these are in order and we have enclosed all of the delinquent reports.

Yours very truly,

Midwest Refining Company
