Ut Ltr. E Sec. 10 - T16S - R31E

Gentlemen,

According to our records, repair work begun on the subject well has not been completed as of this date.

The squeeze job done August 15, 1989 at 30 ft. needs to be drilled out and a mechanical integrity test run on casing, within the next thirty (30) days.

Please notify this office 24 hours prior to time the work is scheduled to be performed.

Sincerely,

A handwritten signature in cursive script that reads "John Robinson".
