13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimate of starting date of any proposed work and approximate duration thereof, measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with LM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

We propose to clean out well to T.D. and put in production to see if it will produce in payable quantities. If well proves to produce in payable quantities, we will test csg. as per specs. If not profitable to operate, we will submit application to P. & I.

We would like ³ months to complete test or P&I. 04/30/2001 07/31/01.
