Re: F.A.F. Loco Hills Abo SWD
System - Brigham H #2 Well

Gentlemen:

We have abandoned our Brigham H #2 well as the Loco Hills Abo Salt Water Disposal System is no longer needed. The New Mexico Oil Conservation Commission has granted Franklin, Aston & Fair, Inc. exception to N.M.O.C.C. Order No. R-3221 to allow disposal into unlined surface pits salt water produced by our wells in the Loco Hills Field, Eddy County, New Mexico.

Enclosed is a copy of N.M.O.C.C. Order No. R-3820 granting this exception and stating that there appears to be no shallow fresh water in the vicinity of the wells in the Loco Hills Field to be contaminated by this salt water disposal into pits.

Yours very truly,

FRANKLIN, ASTON & FAIR, INC.
