Dear Sirs:

On 8-8-2000 you were notified of a failed MIT on each well and received a request to bring the wells into compliance. A follow up letter was sent 5-15-2001 notifying you of the non-compliance and the ways to correct the compliance issues.

To date the wells are not in compliance of Division Order R-9210. This is your third and final letter of direction. Please submit to this office a form C-103 detailing how and when these wells will be brought into compliance. The form C-103 needs to be in this office on or before 13 November, 2001. If the form C-103 is not provided by that time the matter will be turned over to the District Supervisor for "Notice of Violation" and legal proceedings.

Sincerely,

Van Barton
Field Rep. II
