Sounds good to me. Mike, did you hear from Stephens & Johnson? They called me earlier this week to tell me that the 2 wells were active. I think he said they were part of a waterflood project. Let me know. Thanks.

LYNN,

TODAY I RECEIVED AND APPROVED A C-103 INTENT TO PLUG THE CHAPARRAL STATE #2 FROM STRATA PRODUCTION COMPANY. STRATA INDICATED TO TIM GUM BY PHONE THAT A PREVIOUS C-103 FORM WAS SENT TO THE ARTESIA O.C.D. OFFICE IN SEPTEMBER OF 1999 WITH INTENT TO PLUG THE CHAPARRAL STATE #2 . THIS MENTIONED C-103 INTENT TO PLUG WAS NEVER SIGNED OR DISTRIBUTED AS I NEVER SAW IT ? I RESPECTFULLY REQUEST THE SHOWCAUSE HEARING SCHEDULED FOR THE CHAPARRAL STATE #2 BE CONTINUED FOR 90 DAYS ALLOWING STRATA PRODUCTION COMPANY THE OPPORTUNITY TO PLUG THE THE CHAPARRAL STATE #2 .
