Gentlemen:

We are returning the enclosed Forms C-101 and C-102 on the subject well for corrections and additional information.

This well is not located at a standard location therefore, you must move it to a standard location or make application to our Santa Fe office for an exception to Rule 104.

Please show the State lease number on C-101 and also state if the acreage is or is not dedicated to a gas purchaser. (See enclosed memo).

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W.A. Gressett
