13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Ocean Energy, Inc. requests authorization to temporarily abandon the Eddy "D" Federal Com. #1 for a period of 12 months. Ocean Energy, Inc. is presently engaged in a drilling program in the Shugart field. Preliminary results from this program indicate the Eddy "D" Federal Com. #1 may have additional potential in the Morrow. A decision regarding the final disposition of this wellbore will be made during this 12 month period.
