Gentlemen:

This is to advise that on February 1, 1982 the Gulf Oil Corporation's Eddy "IL" State Com. #1 (Atoka) gas well located in Unit E of Section 30, Township 19S, Range 29E, Eddy County, New Mexico was temporarily disconnected from El Paso Natural Gas Company's gathering system. This meter will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of well to produce into El Paso Natural Gas Company's gathering system. (Meter #58-466-01)

Yours truly,
