(Note: Report results of multiple completion on Well Completion or Recompletion Report Log form.)

13. Describe proposed or Completed operations (clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Order # 7

Yates Petroleum Corporation is submitting application for produced water from the above well pursuant to NTL2-B, Section II, and requests your approval. The well produces approximately 180 bbls of water per day from the N. Dagger Draw Upper Penn formation. The water is stored in a 210 barrel stock tank and trucked by I & W Trucking or Jim's Water Service to the Dagger Draw SWD Water System.

A water analysis is attached.

14. I hereby certify that the foregoing is true and correct
